moving through the Universe due to the Presence of Light, but unaware of his dependence on Light for every breath. Then we will take the Master Jesus determining to raise His Hand so that the currents of the Almighty Father might flow through that hand in healing. The Master, fully aware that the Light forms the wire or conductor, is a conscious Co-worker with the Light, which immediately tunes in to the Healing Flame, or whatever masterful activity in which He is engaged, and the benediction falls upon the grateful receiver.

The student who would remind himself constantly that every activity is dependent upon the Presence of Light would see how no one, no matter how imperfect the manifestation, lives in darkness, and that when he is convinced that it is the Light Presence flowing through that performs every action, the individual truly rests in the Light's Arms, and where Light has served him unconsciously, Light, when recognized, loved and acknowledged, will burst into Its Full Glory and consciously coursing through his vehicles, rush to fulfill his command.

Acknowledge the light as the only power

Light is the Universal Messenger whereby *thought* is translated into *action*. The Light Rays projected by the Ascended Master into the consciousness of the student is but an expanded activity of the direction of the Light through the body in the ordinary course of the human events, and rises to a peak of mastery and efficiency *when the individual precedes all action by acknowledging Light as the only Power* and then visualizing the Light carrying the thought into form.

Remember, your presence in the Universe is a positive affirmation that a Light Ray has been anchored upon the surface of the Globe where your physical vehicle abides, and that there could be no body, no form, no activity were that Light withdrawn. So you are constantly in the Presence of Light, and the more you accept it, the more will the Light do for you in fulfilling your destiny.

THE POWER OF RESURRECTION

To the Beloved Spirit of Resurrection:

We send Our love and gratitude this Holy Season for the magnificent gift that lies within all life, to restore, resuscitate and resurrect the Divine Pattern through all decadent forms.

To the Beloved Ascended Master Jesus, Who *proved* the efficacy of the power of the Resurrection here in this physical world, We send Our gratitude. To His Holy Mother, Mary, Who throughout Jesus' entire embodiment helped Him to sustain that feeling of Victory over human creation, We send Our deepest Love.

To Our Beloved Maha Chohan, Whose Very Being, animates the Nature Kingdom, bringing forth new glory and new life, We are so grateful.

To beloved Amaryllis, the Spirit of Springtime, Who has faithfully given of Her Love, to bring forth one Spring after another, to bless mankind, We send Our love.

To every dear chela upon life's pathway who desires to become a Resurrecting Presence for the Glory of God here and now, We project the required encouragement and blessings of Our love to sustain them in that desire. Again, We decree, as We have done before, ALLOW THIS EASTER MORNING TO BECOME YOUR INDIVIDUAL RESURRECTION DAY.

THE IMPORTANCE OF THE BRIDGE ACTIVITY

(An Address by Beloved Mother Mary)

The Ashram, Flourtown, Pa. Good Friday, April 19, 1957

BELOVED friends of Light, today is a day of rejoicing in Heaven and it is a day of rejoicing in My heart! The outer world of mankind have made it a day of sadness and of mourning. Therefore it is the expectancy of the great Angelic Host as well as Those of Us Who are dedicated and consecrated to the redemption of mankind's energies to bring through the feelings and the minds and the memories and the flesh, the power of JOY in the eternal expression of life!

For Myself, too, it is a day of joy, stretching back to Calvary's Hill because upon that day I became the Mother of all mankind. Life in its great and sweet recompense taking from Me for a few short days the beloved Jesus, gave unto Me in an expansion of consciousness the obligation and responsibility which I willingly accepted into My heart of holding the Immaculate Concept for every member of this race. That Concept helped Me to endure what was a period to the outer senses of trial and that Concept I hold for you and for all, not only those who are in embodiment but those unascended lifestreams who await the gates of birth and those who have passed through the gates of death but who must yet secure another physical form.

Joy instead of sorrow

Beloved ones, let us charge, while we are together this morning, that great buoyancy of the knowledge that there is in reality no such thing as death into the atmosphere of this Earth. On Good Friday and on Memorial Day more than other times of the year, does mankind *enjoy* dwelling upon the passing, the ephemeral and the depressive qualities and particularly lifestreams who were present at the time of the ministry of Beloved Jesus and Myself, do they find their etheric garments sending forth a vibration that is akin to that of the sorrow of the Cross rather than the joy of the Resurrection Morn! Now the Angels of all the Legions of all the Seven Rays, have come Earthward and They are fanning out in every direction bringing with Them and radiating forth that consciousness of eternal life—that conscious-

ness for which Jesus lived—the whole point and purpose of His final test on Calvary was to prove that Life is eternal and although the stress has been placed upon the crucifixion, yet through the kind offices of unascended beings who believe in and who have witnessed the continuity of consciousness from embodiment to embodiment, together with the kindness of the Spiritual Hierarchy and Ascended Ones Who direct Their Rays into the outer consciousness of receptive individuals, We shall in time raise the peoples from an acceptance of death as finality!

Life is perpetual motion

Beloved ones, let us think for a moment upon Life itself. As the great Lord Gautama said "it is perpetual motion" from the time it is projected forth from the God Parents; from the time that it enters into your own Individualized Presence and passes then into your physical heart and radiates in, through and around you, it is a constant activity of motion. Even the Ascended Beings, the Angels and the Archangels, Their radiation and Their very Presence, is in perpetual motion and has perpetual life within it. That Life now We are desirous of charging with an acceptance of immortality. There is not even known a second death so far as the souls of men are concerned and this should bring great encouragement to the spiritual student upon the path, particularly those who have delved deeply into occult studies of various natures and who have within themselves a realization of what such an experience would be.

Now let us feel Life this morning—each of you feel life within your hearts—the life that comes to you of God, that sustains you among men so long as the wisdom and direction of your Presence desires that a physical form shall represent It here; the life that carries you freely at night, when the physical form rests, into the realms of Our Kingdom, into the Temples of Light and life eternal, into the Presence of Those Masters Whom you love so well; that life that helps you to cognize Their teachings as you sit at the feet of those Masters and witness Their magnificent perfection as well as the Divine Ideas and Patterns and Plans drawn forth by the Brothers and Sisters in the seven spheres for the blessing and benediction of the race; that life that intelligently brings you back into your own physical envelope in the morning and sustains you again through the course of the day.

Today Our message is the message of Life Eternal and the Intelligence that is within Life. Beloved ones, mankind take life much for granted until the current begins to wane and then they begin to cognize how much of life has passed through their consciousness without being qualified with some constructive blessing for themselves and their families and their associates. Let us not allow ourselves to be among those who feel remorse when opportunity has spent itself and when the life given freely, animating the physical vehicle is called back into the inner spheres and this particular sojourn on Earth is completed.

Beloved ones, let us use life to its fullness, each one according to our ability and capacities developed, as We do on Our side of the veil, you do so on yours. The more you use of life intelligently, joyously and with happiness to produce a kingdom of harmony in the world around you, the more life will be given to you and the greater will be the amount of the actual substance of this world's goods with which you can manipulate to ever expand the glories of the Kingdom.

You know the Law, in intellect at least, that what is done with any gift determines how much more of that gift and how much greater dexterity in the use of that gift shall be given. It is also true with the spiritual law—that which is done with what we have received will determine how much more you can receive. Otherwise before the Karmic Board your debt would be too great; much knowledge unless directed into application and the changing of your natures and worlds and making of the planet a better place on which to live, much knowledge so given would be a great responsibility on Our part and We, of course would have to make good for that knowledge when it lies dormant within the intellect or the mental vehicle.

The Two Activities of Mother Mary

Life is given to Us as it is given to you by the One Supreme Source and We are given free will in the use of it. I chose in My particular service, when My time for magnetizing the currents for the Christian Dispensation was over and when I was told that I might have the Victory of the Ascension, I chose particularly, besides the holding of the Immaculate Concept for all mankind. I chose to work as you well know with the incoming lifestreams, helping whenever and wherever possible to transmute their karma, to put them in suitable schools while at inner levels

and to give them Teachers with an understanding Who could help them to translate their problems into a workable application so that when they were ready to re-embody they could have greater assistance from the Karmic Board, from Myself and beloved Kwan Yin, beloved Meta, and all Those Who are assisting at the gates of birth.

What happens between two embodiments

Now beloved ones, this circle of birth and death is an interesting one—when the lifestream lays down a body, it is the nature of the *soul* that determines the experiences following and preceding so-called death. The illumined individuals who are very active spiritually, usually do not require nor request any period of rest or vacation after passing through the veil. The individuals who have had very strenuous embodiments and who have done great things of a spiritual nature or a material nature that were constructive are sometimes given a short vacation even against their own remonstrance in order to vitalize the etheric vehicle through which the consciousness works at inner levels. Sooner or later then of course, they come, each one, before the Karmic Board and then are assigned to the particular sphere to which their own previous embodiment has fitted them to dwell. So at this time of assignment We Who are the Sponsors of the incoming souls must also be present, because We know that every individual having passed through the change called death, unless they are gathered up into the Ascension's Robes, must come some time again and therefore One of Us watch carefully during the process of the assignment of the souls by the Karmic Board to their particular sphere.

Then whenever it is possible, whenever the light within the etheric envelope is developed to a point where We see a possibility for an intervention, We approach the Karmic Board and ask for the opportunity of intervening Personally on behalf of such a soul or group of souls. If that is given to Us, then We do as I told you, We go to that soul or One of Our Representatives does and We help them just as they do in the outer world, help them through training in the very beautiful schoolrooms to overcome the problem which has caused failures in a past life. We help them to become acquainted with the reality of the One God and help them to learn to harmonize their energies. Then before the consecration of the incoming souls to the Sacred Heart Temple

takes place, the individuals so helped at inner levels are in a position to get greater assistance from us.

Receptivity and action required

Then of course, since you individuals in the unascended state have been calling for the purification of the incoming children and the younger generation and as I have been given the use of the beautiful wand of flame, I have been able to do a great deal more for these lifestreams. For this "I Am" so eternally grateful!

Now how does such a thing happen? That is the spiritual communion between the Ascended Host and unascended beings. In the course of Our conversation with you it was stated that there was a need for added prayer and added assistance for the incoming children and the younger generation. There was receptivity in the consciousness of Our listeners and there was designed that wand of fire which in turn was energized by the feelings of the group and became a living reality and *authority* from unascended beings placed in My hands, which can and is used for the entire nine billion souls belonging to this race. Now if there were no such communion in the first place from Our Realm to yours, you would not know of the requirement. If there was no receptivity in the consciousness of your realm and there was no ACTION following Our requests, there would be no completion of the bridge between the Divine and the human, and the human and the Divine. That is the point that sets aside the present Activity, beloved ones, from ALL of the glorious and magnificent and developed religions through which most naturally We pour Our love and Our light!

Orthodox religions and the Bridge Activity

Now dear hearts, this morning on many, many altars Priests are sending up prayer force; devout people are saying their rosaries and My Name is honored as is that of the beloved Jesus Christ and that energy is beautiful and it is good and it does bring back a benediction and a grace into the officiating Priest and into the congregation, but there is no direct line of communication by which they know exactly what to do at this moment, this day, beloved ones, and by which the congregation listening not to that which was said to Me almost two thousand years ago but that which I can say today, the congregation hearing only that which was mostly written from My Own memory

into the Gospels, but the congregation of today listening to My consciousness which has grown since then and is endeavoring through the veil to grasp the hands of mankind and LET THEM KNOW that DIVINITY WALKS AND TALKS AND LIVES WITH MAN; that that Divinity is represented in the Angelic and Archangelic Host as well as the Cosmic Beings and the mighty Lord of this World; the Stellar Beings from other Stars, Sanat Kumara. Beloved ones, that is the message of beloved Morya and beloved Saint Germain—Holy and Blessed be Their Precious Names!

Accept My healing

And now as I stand within the heart of the Flame of Healing, will you accept My Reality and My Presence with you and be willing to let go of those limitations that distress! Then accept from Me, personally, a directed current of that momentum of healing power which is Mine to give as My gift to your life on this *Good* Friday! Thank God in all of the efforts to concentrate mankind's attention on death, they have at least called it "Good" Friday. It is one of those miracles that come through the sieve of the human mind. It is a day of Life; It is a day when I intend to use you to remove all sense of grief at the loss of a loved one and all sense of grief, particularly those who have lost loved ones in the service and that terrific fear which the word "war" engenders in the outer consciousness.

Now accepting into yourself My Healing; accepting through Me relief and RELEASE, I shall join Lord Raphael and We shall begin the expansion of those currents of life and immortality throughout this Earth.

In the Name of My beloved Son, Jesus the Christ, I bless you as an individual and a communal unit serving God and life and constructive purpose until the day when you are called Home —that day I shall say to you "Has not everything that I have promised you been so"? And We shall stand together on equal terms expanding life. I shall take you to those schoolrooms and let you visit with the little Buddhas and the ones of your families who have received the dispensation and give you every experience that your heart desires.

"Persevere"

But persevere . . . I know what perseverance means! For long years after Jesus' Victory, "persevere" used to be written in the atmosphere. Oftentimes during a so-called difficult experience endeavoring to hold the harmony and balance of light, I could see that word; sometimes it would be written right on the forehead of the individual whom I was endeavoring to serve; sometimes it would be written on a flowing brook where I would sit for a moment and endeavor to contact the Godhead to sustain My endeavors. It was written on the great Mediterranean as We sailed across it and that sense of perseverance and constancy of endeavor so long as you remained here, is all that is required.

So persevere in the Name of My Son, Jesus the Christ, and you shall know the reward of one who is constant! Thank you, beloved ones!

TIMELY CLARIFICATION

THE Note at the end of "Our Scope" published in our issue of November 1958 states that in accordance with the freedom of conscience, cooperation with any of our activities does not demand the relinquishment of any one's present affiliations. This note has been erroneously interpreted by some students, and therefore it needs explaining. It was written in the spirit of the words of Paul to the Thessalonians, "Prove all things, HOLD FAST that which is good". They were meant as a bridge to investigate. Moreover "*freedom* of conscience" is not *licence* of conscience.

The Ascended Masters expect that those who have found Their Teachings, as expounded through the Bridge Activity channel, to be GOOD, to HOLD FAST TO THEM, as Paul directed; and They are very pleased with the referendum made on November 15, 1958, through Notice No. 2 of THE LIGHT BEARER, because 99% of the Bridge Student Body have expressed their gratitude, their love, their support and their loyalty to Them and to The Bridge Activity, as will be proved when these testimonies are published.

The Note at the end of "Our Scope" is not to be interpreted in the sense that it is permissible for our sincere and loyal students to mix the teachings of the Ascended Masters, given through the channel of the Bridge Activity, with other presentations of Truth, true or false. That only creates confusion.

Our sincere and earnest students are not eclectics, that is, they do not pick and choose, like butterflies, what they like in the Bridge teachings, according to their understanding, limited or unlimited, patching them up with other real or false presentations of Truth.

It is evident that if you go to a university you will never graduate if you mix the teachings of your professors with the opinions of others who do not belong to your university. Moreover, you cannot have and use a dollar bill, by merely accepting one side of it and rejecting the other. To be able to use a dollar bill, you have to accept both sides, the front and the back. To be or not to be, is the question.

Furthermore it is audacious to claim that there is, or that there can be, a new activity for the purpose of the expansion or improvement of the present Bridge activity, because anyone dares to say so. That is merely a masquerade. When the time comes for that expansion or improvement—and it is already going on—, it will spring from our own Activity, and not from an outside organization, old established or dissident. Any endeavor to mystify the Truth can only have one effect and we all know what that effect is.

HOW TO USE THE RESURRECTION FLAME

(An Instruction by our Beloved The Maha Chohan)

Now beloved ones, there is your own Sacred Heart—after the Immortal Flame has emerged from the airless cell, the Three-fold Flame which expands from it becomes perfectly balanced. Now—that is the Sacred Heart in which your Divinity dwells. You say, "Oh, Thou beloved Immortal Victorious Three-fold Flame of God within my heart, I love You, I love You, I love You. Take Your full freedom within Me now. You are inside of me, blaze Your light *through.*" *Through WHAT?* Through your physical, etheric, mental and emotional bodies. Very well, when you take the decree and you speak to Holy Amethyst and you say "Beloved Holy Amethyst, You are inside of me, blaze Your light through." *Through WHAT?* Your physical, etheric, mental and emotional bodies.

Here is a lesson which some of you of course, who have learned breath and have taught breath control know. Within your heart, within this Immortal Three-fold Flame is the vital essence of *every* God virtue. It is connected with every divine attribute, faculty and God-Being in this universe. It is connected with the Resurrection Temple and the activities of Jesus and Mary as well as with Holy Amethyst, the Freedom Flame, the Flame of Pallas Athena, so on and on indefinitely.

Then as you breathe out the Resurrection Flame into your physical body, you feel it vitalized; into your etheric body, you feel the divine powers which you had in the Great Central Sun before the world was, accelerated; into your mental body you feel the clarification of those divine concepts which come from the Heart of the Universal and into your emotional body you feel the *Buoyancy, joy and happiness of serving GOD*, the Ascended Masters and your fellow man.

AN EASTER MESSAGE

March 29, 1959

At Eastertime, "I Am" reminded again of the beautiful first Easter Day when My Own beloved Son, overcoming so-called death, came forth from the tomb in which He was lovingly laid, and proved to His Disciples and Followers that the Power of Resurrection *is* an Eternal Verity! Such a Victory, I was later able to accomplish myself, although in a far less ostentatious manner than My Son, and also the final glorious Happy Victory of the Ascension.

Therefore, "I AM" always so eager to convey the Truth that both the Resurrection and the Ascension is possible of attainment by every human being, imprisoned Angel and elemental yet using the Sweet Earth as a schoolroom.

I wish for you, each lovely one, a glorious Easter, filled with God-buoyancy. I invite you, as your Cosmic Mother, to come to Our Temple of Resurrection, where I, Myself, may hold you in My Own Arms of Light, conveying to you My feeling of your own ability to resurrect the good in your dear lifestreams. Consider this, beloved, a personal invitation from My Heart to yours, for are you not to become, each one, a cell in the Universal Diamond Heart which "I AM" creating to envelop this dear Earth!

MARY, MOTHER OF JESUS.

THE TEMPLE OF RESURRECTION

Etheric, over the Holy Land
(The Ascended Master Retreat of the Month)

March 15th through April 14th, 1959

Over the Holy Land, where the Beloved Jesus performed His Ministry, culminating in the Victory of His Own Ascension, as well as that of His *one* Disciple, John, at the close of Her Earth Life, the Beloved Mother of Jesus, Mary, pulsates the tremendous radiation of the Temple of the Resurrection, wherein both Master Jesus and Mother Mary guard the Resurrection Flame, directing It always into persons, places, conditions and things which are in a state of decay and dissolution thus raising them (when they are receptive to the blessing) into the God-ordained perfection Which ALL should and will, one day, express. Resurrection, according to the dictionary, means actual restoration or renewal of imperfection. This, is the Service of Beloved Jesus and Mary and the Sponsors of Their Holy Retreat —to make whole and renew—that which has temporarily become imperfect. Not all individuals on the blessed Earth today know of the palpable existence of this Temple but all are bathed in Its Rays and Essence, particularly, during this time of year, when so many of mankind honor both the Personage and the Victory of the Beloved Jesus' Resurrection.

Those dear souls are impersonally blessed by the Hierarchs of the Resurrection Temple but the conscious chelas on the Spiritual Path are invited into the very Temple Itself and, witnessing the glory of the Resurrection Flame, bathing in the mother-of-pearl Essence pouring forth through It, listening to the Ascended Master Teachers Who give forth the instruction so that the chelas, too, may become foci of the Resurrection Temple wheresoever they are on the planet Earth are infused with Its efficacy and bring much of Its Essence back with them into the world of form, when they return to their physical bodies after such a visitation.

Mother Mary, Divine Complement of the Archangel Raphael, has trained many Angels and elementals in the art of Resurrection, and a 'few' of mankind themselves. She so eagerly awaits your visit to the Temple of Resurrection both for your *own* vitalization as well as the buoyancy and conviction of the power

of Resurrection for all mankind in distress, particularly at this time of world chaos and confusion. Not only Her Beloved Son, Jesus, performed this art of Resurrection, but every flower, tree and shrub, each year, point the wise man to that Resurrecting Power alive within *all* of the Nature Kingdom, and which is possible for all mankind as well. The Temple of Resurrection is builded in circular formation with seven corridors of graded intensity of the Flame, so that each dear chela may, according to His capacity to receive instruction, love and light, enter the corridor wherein his own consciousness can receive the power of the Resurrection Flame in that particular focus wherein he or she is most comfortable.

The Mercy of the Heavenly Father and His Divine Messengers is always so great that They never expose a chela to a Divine Radiation above and beyond their capacity to both enjoy and benefit by it. Of course, our beloved Maha Chohan focuses His Power also through the Resurrection Temple into the Nature Kingdoms, at the times of year (dependant upon when the Season of Springtime expresses in your locality).

The actual requirement of the Resurrection Flame was not required on Earth until the laggards came from other systems and decay and discord ensued, causing life to descend from its natural, pure and perfect Estate. When such an event took place, the Wise Action of the Cosmic Law was such that preparation was made for the ultimate restoration of mankind and all life on this sweet Earth at such time, according to *free will,* mankind desired this Service. That time is NOW !

Enter into the Resurrection Temple, beloved ones, and learn to be a Resurrecting Power in your dear beings and world, those you hold near and dear, and all mankind, imprisoned Angels and elementals, into their Divine Externalized Perfection again! Thus, do you become a Resurrection Temple in yourself.

It never was intended, by the Heavenly Father, that Jesus alone, should achieve the Resurrection and the Ascension, but that He be the Way-shower, the Example for all mankind—who, for the most part, prefer the enjoyment of Jesus' Victory rather than making personal, individual endeavor toward their own resurrection and Ascension here and now.

(Note: For further description of *The Resurrection Temple,* please see *The Bridge to Freedom Journal* Vol. I, No. 1; Vol. II, No. 2; Vol. III, No. 12; Vol. IV, No. 12; Vol. VI, Nos. 1 and 10)

RESURRECT THE GOOD IN ACTION

(Monthly Letter to Transmission Flame Class of March 21, 1959)

Beloved Ones seeking to actually become Resurrection's Presence here on Earth:

I greet you in the Name of the Actual Divine Mercy and Heritage of your own being— the power to become again, beautiful Divine Beings (as you once were) right here on this Sweet Earth. As you know, I have directed the Resurrection Flame through the Nature Kingdom for many ages. I also helped the beloved Master Jesus in resurrecting His Own physical vehicle. "I AM" also eager and desirous of assisting you, dear ones, to achieve your own personal resurrection here and now. The Sponsors from the Resurrection Temple for 1959 are Lovely Lady Ascended Masters from Mother Mary's Legions.

Please, at least once in every twenty-four hours, enter this Resurrection Temple, and enjoy the glory of Its powers. Meet Us there. Then return to your worlds and fill them with that uplifting radiation! Be that Example of Resurrection of good in action here and now.

Love and Blessings,
MAHA CHOHAN

TRUTH, IF APPLIED, WILL SET YOU FREE

(Excerpts from an Address by Ascended Master Jesus)

Flourtown, Pa. May 15, 1958

BELOVED, blessed friends of Light, who have loved Me long and love Me still, grateful indeed "I AM" for your presence on this day which is a memory sweet in many respects to My heart, and yet a day in which I had to leave so much yet unsaid and undone, into the keeping of My Mother, beloved John, and the disciples, with a prayerful heart that that vision and dispensation which has lasted two thousand years, might be anchored firmly through those blessed ones, some whom renounced the Ascension at the time of My Own Victory, in order to bring and to keep in the emotional, mental, etheric and physical consciousness of mankind, not only the radiation which "I AM," but the instruction which I gave, which has formed, of course, the basis of the Christian philosophy.

The Gospels have been amplified

Oh beloved ones, it is with grateful hearts that We honor every sincere chela who has helped Us to open the bridge from Divinity's Realm into the realm of the outer consciousness so that Those of Us Who have been glorified and honored by many, many centuries of men, may no longer have to confine Our instruction and radiation to the small amount of recorded doctrine which We presented, and of course through the channels of energy through unascended beings who have had great love and devotion to Us. No longer are the small Gospels the full extent of My teachings to the peoples of Earth, for the open door has allowed Us from Divinity's Realm to bring to you now, from the past and in the more glorious future that is to come, more and more of eternal verities of that Truth which I said long ago and re-affirm THAT TRUTH, if applied, will set you free!

Beloved ones, as the great Lord of the World said to you so recently, and I repeat, all of the instruction and knowledge if not applied individually through your own precious application and experimentation with that knowledge and that law, will not give you freedom nor self-mastery over energy and vibration. This I know through My Own personal experience. When I had attained that mastery for which I was born without sin, good men and women enjoying the miracles so-called, which such mastery made easy to manifest, preferred to see the fruits, and very few listened to the Law by which they themselves might have become *Master* over the appearances of sickness, disease, disintegration and even so-called death.

Experimentation necessary

Beloved ones, "I AM" grateful for opportunity to affirm and to re-affirm to you that the importance of *receiving knowledge,* insofar as your soul growth is concerned, is the actual practical experimentation with that knowledge received, even though at first your results may not express to you full perfection. Why? Because as your individual Presence pours Its Light through you, which is the very beat of your heart, that life-essence is colored by your feelings, thoughts and your memories, as well as all the traits of character of the present physical personality, and you are subject likewise to the mass ties of limitation and distress. Therefore it takes the bold, the constant, the trusting, the faithful and the wise to continue to experiment with the cosmic law, and as beloved Saint Germain did before He was ascended, even if you do not have full manifestation on your first try, or on twenty years application, there is nothing wrong with the Law, beloved ones. It is just that your channel has not been purified sufficiently so that the same gifts and powers which I used merely to be the example of what every man, woman and child should be, are yours *today,* not in some far distant heaven with streets lined with gold! The mastery over energy and distress is not required there, for all is peace, beauty, harmony and perfection. Why should I then have come through the veil of birth and live in a world of great darkness if it was not that the great Father of us all desired to show to the people of My generation and those of succeeding generations who believed on My chronicled life, what could be done by a man wearing a coat of flesh.

Your Holy Christ Flame

Your Earth today is in a great period of chaos. The strongest points of light, even as in My day, are focuses for the remnants of discord. I say to you, that Light and that Life, which is the gift of the Father of All, that beats your hearts, IS all powerful in and through you, when your motive is sincere and you are selfless in the desire to give the gifts from your own Causal Body

for the illumination, harmonization, healing of the distresses of mankind, elemental life and imprisoned Angels.

I love the Angels! All during that Earth life, the great Archangels and lesser Angels were My companions, Mother, Herself, coming of that Kingdom. Oh, to see Angels imprisoned in gross form, with such great feeling for Our perfected realm, and yet willing to so remain because Earth is not yet free.

I love the Elemental Life, that beautiful Life that has given and is giving you so freely of Itself, and I love that great Holy Christ Flame within your heart which shall one day be master over every bit of the energy and vibration which you have qualified destructively, until the upper parts of your bodies are blazing with Its Light; until your hands become as Mine, conductors of the Healing Flame from God's Own Heart; until where you stand death ceases to be, and LIFE Itself is manifest again in dignity. These things I came but to teach you, that they could be done by other men and women. Yet even those who lived within My aura, slept within the compass of My Mother's Home, when first they attempted to call forth those powers, returned to Me distressed because human appearance yielded not, and they had physical proximity to My Presence for a number of years.

Become Christ in Action

You have now proximity to My Presence. Those of you who thought enough of Me to make a short pilgrimage to My Presence. You have proximity to Me by merely mentioning My Name! My Name—which I have given to all mankind as a protection against any and all evil and distressing thoughts, feelings and pressures. In the NAME OF THE ASCENDED JESUS CHRIST men and women have healed, they have suffered privation and have come forth victorious. They have learned and used the powers of levitation and precipitation. They have ministered unto those who were temporarily under the spell of seeming illness. In the Name of the Ascended Jesus Christ, I speak now to every chela on this planet Earth and who believes in My Presence and My capacity to speak in this day and age!

It is time for each one of you to become Christ in Action! I do not enjoy the solitary confinement upon the pillars of marble. It would be a lonely heaven were I there alone. Thank God, it is not so! There are many Sons and Daughters of Light, as you well know, Who are My Companions and many superior Beings,

so far above Me on the ladder of Divine evolution that I cannot even see the outlines of Their "I AM" Presence or Their White Fire Bodies by the very radiance of Their Light. So it is with you as you move upward and forward on the Path of self-mastery, always be sure that there is some one on the rung below you whom you are lifting to take the place on that rung on the ladder as you move onward into greater and greater Light.

The Ascension of Jesus

John and Mother Mary chose to take that place for Me, and thus on that morning I was enabled to quietly and unostentatiously walk up that grassy path to the top of Bethany's Hill and have just a little solitude, watching the Sun rise, enjoying the beauties of Earth before My beloved disciples and those who came to wonder and to question, following after them, reached the brow of the Hill. So it was in that inner resurrected body that I was able, in the presence of almost five hundred people, not all of whom believed that such a thing was possible, I was able to quicken the vibratory action of that resurrected form and with the great assistance of the mighty prayer force that My Mother had established through Her years of prayer on Bethany's Hill, with the great assistance of My Own "I AM" Presence, the Ascension was publicly manifest.

Some there were who saw it, some there were who did not, because as the Light became brighter, the natural activity of the human self is to cover the eyes against glare. Some were frightened, as you will find in your present and all future activities of the unusual and they turn their backs lest they be distressed. Some flung themselves on the ground, but the few who stood and can bear witness, some of whom are within this room today, you know that from the top of the Hill of Bethany, having completed My course and left in the hands of those who were to form the foundation of the Christian Dispensation, I ascended to My Father and to yours, enjoying that company of Divine Beings Who have foresworn Nirvana, continuing My assistance as best I could to any and all lifestreams who in their turn would direct their attention toward Me.

The crucified Christ to be replaced by the Ascending Christ

I ask this morning a boon of the Cosmic Law, in the removal of the crucified Christ from all of the Christian Churches, and the replacement by a visualization of the Ascending Christ, so some-

thing that the people can look upon which will uplift their vision and give them hope, help and strength to want to achieve like mastery; for that very crucified Christ, which the orthodox world places before the people, is the symbol of vicarious atonement. It is the way of the outer self, as you well know, to let some other lifestream carry your sin. God knows We, to the best of Our ability, every time that you honor Us with your Presence, transmute as much of the karma of your own creation as is possible. God knows, while We are in the atmosphere of Earth, how much of the mass karma, the rip-tides that flow through the Earth and Its atmosphere are sucked into the substance which forms Our auras and there transmuted into Light, charged into the "I AM" Presence of the individual who created that discord and then held there until the "I AM" Presence of such an one finds worthiness in the personality and can safely through the Silver Cord and the Holy Christ Flame release that Light again.

Power alone is dangerous

In the power of invocation as I used it, and as every God-free Being uses it, the Three-fold Flame in your hearts has a definite reason for Its coloration and Its place. As you draw the Power, and Wisdom directs it, and Love sends it forth, you are *completely protected* from every adverse human motive, even those which you do not know of in the outer self. Every healing that I performed, every leper that was cured, every blind man that was made to see, every obsessed one that was freed of a discarnate that had no place in that form, and every man and child that was in the appearance of death who was given again Life—was given that boon through the magnetizing of the POWER of My Father, WISDOM to use it where I saw that the lifestream could be benefitted or a lesson could be taught to the witnesses, and then the LOVE for the individual who received healing, as well as for the Father Who gave Me the power by which to do it.

Beloved ones, if you will keep that in mind in all that you endeavor to do! Power alone is the most dangerous of the qualities unless it is directed by true Wisdom and discrimination that comes of your Father, and unless it is qualified with honest Love for your God, Divine Masters, your fellow man, imprisoned Angels, little elementals, four-footed creatures and every living thing.

I repeatedly said over and over again and I still maintain that statement today for a specific reason—"I, of Myself can do nothing. It is the Father WITHIN that doeth the works," to remind you that the power that was drawn through My lifestream directed by the Wisdom of the Father and sent forth in Love, should never be used, and it never was used in My whole embodiment for anything but to do God's Will here on Earth, to attempt to establish the Kingdom of Heaven on the planet Earth; to attempt to arouse the dormant spark of Divinity within the peoples of that Era. Now the Cosmic Christ has spoken, and the Christ Selves of men and women and children too are beginning to act. Those who want Power of the personal self find themselves sheared of it. Those who want power to use with Wisdom to expand the cause of Love, shall INCREASE in majesty, in dignity and in works well done. Thus is the teaching of the new Era. It was the teaching of the Christian Dispensation which was My Era, in which very few of mankind received the Ascension. Now you come to the New Age of the great Ascended Master Saint Germain where the Kingdom of Heaven shall manifest on this Earth. Through whom? Through those in whom we have invested Our life, Our instruction, those who have reached their hands out to Us from Divinity's Realm to form that Bridge, which remains unto this day through your individual and collective endeavor.

Censure not the outer self

You are My brothers and sisters, not of blood but of spiritual light; that Light which flows through you and through Me is the life blood of the spirit and flows from the One Father Whom I represented on Earth and Whom now you have in this day, opportunity to so represent. Oh, censure not the outer self. If you are not the fulness of the mastery that you should become for the negative qualities of depreciation and self blame, merely fill your feelings and your minds with more substance, and the next beloved Master, and in this case it is Morya, will have to dislodge it. Rather fill yourself with the feeling of rejoicing that I too was a man and was subject to pressure and bore witness to many unpleasantries, not only in the world at large but in My immediate disciples. Yet through the Grace of Almighty God and My steadfastness in holding to His Will, I had a victory, the Victory of the Ascension, which is to be your victory too. Perhaps in your case it will not be so spectacular and I hope for your

sake it will not, because of ridicule and bigotry and disbelief upon a soul departing, particularly in that delicate fabric of ascending into the Light of the "I AM" Presence, is not a happy experience. I made that sacrifice although like all unascended beings I tried after the Last Supper to remove Myself from it. Yet I made that sacrifice of the crucifixion and the ignominy that preceded it. Then the returning and resuscitating of that form, the walking and talking and convincing of the disciples that It was *I*; and the final sacrifice of a public Ascension which is the most sacred of all your experiences, one that really should not be a spectacle. I made that so that all men would know and could know that what I had done, all men could do. Yet glorified as has been My work, for the doing of what I did, that day is yet to come.

In the Name of My beloved Mother Mary, in the Name of Our Beloved Ascended Saint Germain, in the Name of the great Hierarch El Morya, in the Name of the beloved Serapis Bey Whose Ascension Flame blazes at Luxor, I thank you for believing in Me sufficiently to make a pilgrimage to My Presence. You shall be rewarded for the endeavor and the love.

Thank you beloved ones. THE ASCENDED MASTER JESUS

A HISTORIC DESCRIPTION OF JESUS

By His contemporary, Publius Lentulus, who was the predecessor of Pontius Pilate as Governor of Judea. Excerpts from a letter to Tiberius Caesar, Emperor of the Romans.

HE is a man of noble stature and of very beautiful countenance, in which such majesty resides that those who look on him are forced to admire him. His hair is of the color of a fully ripe chestnut, and from his ears down to his shoulders it is of the color of the earth, but shining. It is parted in the middle of the forehead, after the manner of the Nazarenes.

His forehead is smooth and very serene, his face free from wrinkle and spot, and with a light color. The nostrils and lips cannot reasonably be found fault with. The beard is thick, and, like the hair, not very long, and divided in the middle.

The eyes are like the rays of the sun, and it is impossible to look him steadily in the face on account of their brilliancy. He makes himself loved, and is gravely cheerful. His hands and arms are very beautiful.

In conversation he is charming, but he seldom engages in it; and when he does converse he is very modest of countenance. In presence he is the most beautiful man that could be seen or imagined; just like his mother, who is the most beautiful young person that was ever beheld in these parts.

In learning he is an object of wonder to the entire city of Jerusalem. He never studied at all, and yet he knows all sciences.

He wears sandals, and goes bareheaded. It is said that such a man was never seen or heard in these parts. In truth, as the Hebrews tell me, there never were heard such advices, such sublime doctrines as this Christ teaches; and many of the Jews hold him for divine, and they believe in him, while many others accuse him to me as being contrary to thy majesty.

It is acknowledged that he has never done harm to any one, but good. All that know him and have had dealings with him say that they have received from him benefits and health.

PUBLIUS LENTULUS

WHY, OUR BRIDGE?

A Bridge does not, necessarily, have to be horizontal in structure! It is, in Our Activity, the *Bridging* between the Divine Realm, Where ALL The Ascended Beings abide and the outer consciousness of mankind. Thus, the Ascended Beings actually *form* the Upper Half of The Bridge and the worthy chelas, desiring to contact the Ascended Host, form the lower half of The Bridge. For this reason, was This Activity brought into being and shall be sustained. This Bridge is made up of *energy*, God-qualified, given by the Ascended Host and by the worthy chelas who sustain It in the world of form. It can never be "finished" until everyone of the ten billion peoples belonging to this evolution are God Free!

EL MORYA

THE EMBODIMENT OF THREE BUDDHAS

By Beloved Mother Mary

There comes before Me in May this year, three more of the beautiful Buddhas Who will take embodiment. This is quite a magnificent accomplishment in so far as the individuals who attend the Sacred Heart Temple are concerned. It is also a great accomplishment upon the part of unascended beings who have made the light of the world increase and who have made possible pure enough life-streams and pure enough homes for the blessed Ones. Of course, with Lord Gautama, His radiation being that of the pure Buddha at heart and His radiation now encompassing the Earth, the Buddhas cluster around that radiation like bees around a flower that has honey within it. If it were up to the Free Ones, all hundred of those Buddhas would come through the veil of birth in this year but We Who stand at the gates of birth—We Who are cognizant of the opportunity of bringing that added light to the world are very grateful to the Law for allowing Us to prepare three such Illumined Ones to enter into the Earthplane. Can you imagine what it will be for the planet when these Illumined Ones attain a majority and Their consciousness and radiation can be outpoured in its fullness to bless the race! That day comes for which We are so eternally grateful!
